

S.F. J.C. MEET GIVEN TO RUNAR

Gater Sports

Points?

The "aigsperts" contend that Ru Stone will probably be held to a mere 24 points against S. F. J. C. tomorrow. They believe he'll take three firsts (pole vault, javelin, and high jump), three seconds (broad jump, discus, and high hurdles), and a third (shot put).

Swedish

Those who have been wondering what nationality Ru Stone is, especially those who have thought him a Finn, the Golden Gater reveals, at last, his true identity. . . . Shush . . . Ru is Swedish. . . . Just thought you'd like to know.

Friday April 17, 1936

STONE OLYMPIC GAMES CONTENDER

State Ironman Given Chance of Defeating Powerful Opponents

Milwaukee Selected as City of Preliminary Trials

JULY IS DATE SET

Ru Thought Good Choice to Break Bausch Record

With summer rapidly nearing and the Olympic Games trials in Milwaukee around the corner, 'tis no wonder that Runar Stone, San Francisco State's "One-Man Track Team," has been carefully tuning up his wily frame.

Berlin is Stone's battle cry, and he is ardently rounding into the position that he prays will win him a place on Uncle Sam's track and field team as one of the three decathlons selected from the United States.

Places Stern Competition
Stone will most likely grab the climb aboard the Milwaukee train, and meet the best of the country in his games bid. He will face such competition as that afforded by the likes of George Mackey, former star of California athletes; the Ironman of Kansas City, and the winner of the University of

chances? It's even-odd, but the critics, that State's best, but-getter will finish in the top three, even barely possible, with Stone, that he might finish first. He reaches supreme heights, as he has a way of doing, Stone can beat Bausch's world record in the decathlon, scoring 8578 points to Bausch's world mark of 8462.23.

Stone Eclipses Bausch
Of the ten events, Stone has beaten Bausch. His time in the 100 meters is :11.2 to Bausch's :11.7; he has broad-jumped 23 feet 5 inches to Bausch's 22 feet 9 1/2 inches; he has high-jumped 6 feet 3 inches to Bausch's 5 feet 10 inches; has run the 440 meters in :54.2 to Bausch's :54.2; has traversed the high hurdles in :15.2 to Bausch's :15.2; and has crossed the finish line in the 1500-meter run in 4:50 to Bausch's 5:17.

Stone's marks in four events lead the record holder. The record holder threw the discus 146 feet 3 3/4 inches, while Stone has sailed it out around 132 feet; he pole vaulted 13 feet 1 1/2 inches, while Stone does 12 feet 6 inches; and he threw the javelin 203 feet 1 1/2 inches, while Stone hurls it 183 feet.

Stone Scores Plenty
In the dual meets this year, Stone has scored 125 points for State, or an average of 25 per meet. He has taken firsts, 7 seconds, and 4 thirds. A graduate of Polytechnic High School, he is 24 years old, is 6 feet 2 inches tall, and weighs 165 pounds. A champion . . . as an athlete . . . as a fellow.

Ru's Best Records Published by Gater

The figures below, giving a line upon Ru Stone, have been compiled by Harold Martin, State publicity director.

Stone's Best Marks of the Season	
120-yard high hurdles	:15.2
Pole vault	12' 6"
High jump	6' 1"
Javelin throw	185' 8 1/2"
Broad jump	22' 6"
Shot put	42' 1 1/2"
Discus throw	132'

(He has not been forced to go any higher in the pole vault or high jump, being capable of better marks in both events; possibly 13 feet in the pole vault, and 6 feet 3 inches in the high jump. He also has a leap of 23 feet 5 inches to his credit in the broad jump.)

Points by Meets	
S. F. High All-Stars	20 points
Cal Aggies	25 "
San Mateo J. C.	23 "
Santa Rosa J. C.	29 "
Chico State	28 "
Total	125 points

Rampant, Rip-Roaring, Romping Runar

Cox Deserves Due Praise As Stone's Coach

There is more than appears on the surface between Runar Stone, the Gater's Olympic Games candidate, and smiling David J. Cox, State's track coach.

How many know that Coach Cox was also Stone's mentor at Polytechnic High School, where his cinder squad won the A. A. A. championship five years in a row? Under Cox's skillful tutelage, Stone tied the local high school record in the high hurdles with a time of 16.2 seconds.

When Cox received his position at State in 1930, Stone, who had just graduated from Polytechnic, decided not to lose his coach and friend. Accordingly, he, too, came to State.

Stone Got Versatile
Probably because State hadn't many tracksters, Stone was forced to employ his versatility. Carefully instructed by Coach Cox, he immediately proved his skill in many events. Out of this, he has long been the Purple and Gold track mainstay, becoming recently a definite Olympic Games threat.

One should praise Stone for his endurance, his fine spirit, and his ability. However, one should not forget the able teaching of Coach Dave Cox, who has worked tirelessly to mold Stone into the great athlete he has become. Coach Cox has also been a friend to Stone, a guiding hand that has ever helped to steady the young athlete. In like manner, he has aided his other lads; never neglecting them, despite the time and labor spent on Stone.

Believes in Spirit
Cox is, above all, a firm believer in college spirit. He is a go-getter, diplomat, and a friend to everyone who wishes to be his friend.

Cut Courtesy of S. F. Chronicle

To the mighty Ru Stone, publicized by the local sports scribes as the "One-Man Purple-and-Gold Track Team," is appreciatively dedicated this issue of the Golden Gater.

A definite Olympic Games contender in the decathlon, State's mainstay on the cinder paths, a fine basketballer, and a swell guy, Stone best exemplifies that kind of spirit which has carried this college from the ranks of the unknown to an honored place in California athletic circles.

They're dedicating the first annual San Francisco State College-San Francisco Junior College cinder meet scheduled for Kezar Stadium tomorrow to Stone, hoping that the lanky Gater athlete with the heart of a lion and the tenacity of a bulldog outdoes himself. Of course, Ru's 28 points against Chico State last Saturday, when he was expected to score only 17, wasn't bad at all, mind you.

Improving every day by constant practice, Ru is rapidly attaining peak form for the Olympic try-outs "just around the corner." Every student at State is wishing the best of luck to a swell guy.

Oscar Reveals Inside "Info" to Scrivener On Hot Cinder Clash

Stone Ought to Run Up 23 or 24 Points at Kezar

AFFAIR SET FOR 10 A. M.

Loss of Murphy Dampens State's Chances in Battle

By FLOYD WALTER
Trust Oscar the Co-Op Critic, State's perennial sophomore, to get the "hot news" first.

Yes, sir, hastily deserting his favorite lunch (a choc shake and a toasted tuna sandwich), old Oscar yesterday morning rushed up to the publications room, a fiery look in his bright orbs, and started firing words at your humble scrivener.

"Hustle to your typewriter," he yelled. "Bang those keys; get off the dime; hustle; get a move on."

Seeing our evident alarm, Oscar finally subsided from his incoherency, and we soon learned the cause of the great man's outburst.

"Didcha hear the news?" he asked. "What noos?" we queried.

Then he spoke impressively: "They are dedicating the San Francisco State-San Francisco Junior College track meet, scheduled for ten o'clock tomorrow morning at Kezar Stadium, to Runar Stone."

"You may state in your paper that the State athletic directors feel that Stone, who has been the Purple-and-Gold cinder mainstay, deserves some such fitting reward; especially in view of the fact that he will soon contend in the Olympic Games trials in Milwaukee."

Will Gaters Victor?

"It's so sad," Oscar suddenly said, changing his tone of voice. "that the Gaters may not win the clash. We'll lose valuable points because Jack Murphy will not be able to compete in the 100 and 220-yard dashes. If the Cox-coached squad does not make up these points in the field events, we might be up the well-known creek."

Gloomy thought, indeed; but Oscar qualified it by reaching down in his pocket, fishing out a pencil, and dopping out the meet. When he had figured out all the events, except the relay, he had State's points at 61 and the Jaycees' at 56. According to these figures, the relay will decide the meet.

Jaycee Sprint Favorites

"Because of Murphy's absence from the two sprints, the Jaycees ought to score 16 markers in these events, to two points for the Gaters," Oscar remarked. "Relfe Leavitt is good for times of :10.6 and :24, neither of which will mean much."

"As for the 440, George Warren of the Jaycees, with a time of :51.8, is favored to defeat Ronnie Lindlow and Bob Robinson of State. Lindlow might surprise, however, as he has been clocked in :52."

State Long-Distance Underdog

The great man paused. "Well, in the half mile and mile, we're also the underdog," he finally conceded. Bob Bertram, Jaycee ace, will probably win both these events, with State getting both seconds and thirds with Stan Kuder, Hal Davis, and Bob Cota.

"Unluckily for us, the 2-mile grind will not be run, robbing us out of Biff Shreeve's probable points."

High Hurdles Tossup

"I'll be indecisive in predicting the outcome of the high hurdles," Oscar said. "Dan Southard of the Jaycees and Ru Stone of State have both topped the high sticks in :15.2. It'll be a tossup between them for first, with Lucian Morrison favored for third."

"The Jaycees are also favored in the shot put. Jumbo Jublonski has a mark of 42 feet 11 inches to his record, with Owen Jones and Ru Stone of State having marks of 42 feet 4 inches and 42 feet 1 1/2 inches, respectively."

Jones Win Discus?

"Jones is favored in the discus," Oscar agreed, "having tossed the platter 140 feet. Jublonski ought to take a second and Stone a third. State is also favored, one-two in the javelin, with Stone and Dick Hurst entered. Stone tossed the spear 189 feet at the University of California field this

(Continued on Page 3)

Ru Stone

No, the impossible has not happened. The Friday issue did NOT get its pages mixed. Because of the high honor accorded Ru Stone, the sport page, featuring State's star athlete, was placed ahead of the regular first page.

GOLDEN GATER

PUBLISHED BY THE ASSOCIATED STUDENTS OF SAN FRANCISCO STATE COLLEGE

Quien Sabe?

Who knows, maybe the coming student election will bring us leaders that will push State into the foreground as a college. However, this won't happen if the huge voting power of the women is swung over to a Rooty Toot Toot boy.

AMOS AND ANDY ARE INTERVIEWED

Three Sports Featured Today At Noon Rally

Suprise Feature Held As Added Attraction; Cox, Farmer, to Talk

In order to promote interest in track, baseball and tennis activities at State, a rally will be held in the women's gymnasium today at 12 o'clock.

Under the direction of Bob Links, yell leader, a program has been scheduled for the event. Wanda Kurpeski, State student who sings at the Lido at night time, will sing at the rally. Al Lewis will accompany at the piano. Vernon Rees will give his monologue, and Coaches David Cox and Daniel Farmer will speak to the assembly.

Plans Indefinite
Efforts are being made by the committee in charge to contact a local civic organization to bring them to the rally for an exhibition. Plans are not yet definite, but it is hoped that the committee will be successful in their attempts.

The rally will be made in order to create interest for the track meet with San Francisco Junior College, the baseball game with Fresno at Fresno, and the tennis meet with San Jose State at San Jose.

Decker, Demeke Aid

Bob will be aided at the rally by Bud Decker and Howard Demeke, assistant yell leaders. All students are urged to attend the event and make these rallies worth the while of the committees in charge. It will be remembered that the last rally held featuring Cliff Williams and several members of his orchestra, was presented to the students through the arrangement of the yell leader and assistants. A large turnout for the assemblies is greatly appreciated by those in charge, according to Links.

Snedden Next As Series Speaker

One of the foremost educators of the nation will address the lecture group who are holding a symposium on "The World Tomorrow" next Monday evening. Dr. David Snedden will be the speaker and will develop the theme "How Will Skill in the Arts Be Evaluated Tomorrow?"

The doctor has been outstanding for many years in the field of art education, and other fields. He has been associated with many large universities and colleges in the United States and also has studied abroad. He has been accorded the honorary position of professor emeritus in the Teachers' College at Columbia University.

In presenting his topic, Dr. Snedden will outline the standards employed in the criticism of ancient art, as against those in current use today. He will then present the viewpoint of the moderns and the trend that artistic skill will take in the coming generation.

The talk is the eleventh in the series that have been enjoying an extensive patronage from the public as well as from the students of the college. All majors and minors in Art, who will be the generation that will comprise and lead the subjects of Dr. Snedden's lecture are urged to attend. The talk will be given in the Frederic Burk auditorium and starts promptly at 7:30.

Dr. Floyd Cave Is Chairman

The Instructors' Association of San Francisco State recently elected Dr. Floyd Cave chairman of its civil service commission. He has also several sub-committees under his direction dealing with the classification of positions and the questions of appointment and removal, respectively. The group will study the possibilities of placing all State Teachers Colleges under the state civil service system.

Dr. Cave is at the present time corresponding with sister colleges in an attempt to acquaint them with the potentialities or to determine the extent of their labors in this respect.

Student Body Petitions Can Circulate Until Noon, Monday

"All persons who wish to run for office must have their petitions in at the Student Body Office without fail by Monday noon," Ed Morgan stated today, urging candidates to act quickly if they would be qualified to run.

The rule in this respect will be strictly observed and none who submit petitions after the above time will receive any consideration or approval. Morgan explained that the regulation was necessary because sufficient time would have to be allowed for checking up purposes. Each person submitted will be examined by the Board for qualifications and to approve of their grade standing and class rank. The present constitution states that no candidate running for the office of president can be lower in standing than a low senior upon assuming the duties of his office. Three presidential possibilities loom in the persons of Ed Cockrum, Bob Links and Cy Atkinson. It is also known that Charlie Eiger will run for student treasurer, and Dawn Wilson for secretary. Other candidates are as yet unknown.

Morgan further stated that applications for offices had been very slow in coming in and that greater speed would be necessary if sufficient time were to be allowed for the gaining of signatures. Fifty must be obtained before the candidate can run.

State Receives National Honor

San Francisco State College received outstanding academic recognition yesterday when it was fully accredited to the Northwest Association of Secondary and Higher Schools at its annual meeting of the association held at Spokane, Washington.

Dr. Alexander C. Roberts, president of S. F. State, received word of the recognition from Dr. Frederick E. Bolton of the School of Education, University of Washington. Dr. Bolton, who is chairman of the accreditation committee, visited the local college March 23 and reported favorably to the association.

The action of the Northwest Association makes it possible for S. F. State to apply for further accreditation. Credits received from the local college will be fully accredited throughout the country, both in teacher training courses and liberal arts subjects. The local institution is the third State college in California to receive this high recognition; San Diego and Fresno were accepted previously.

Young Demo's Hold Rally

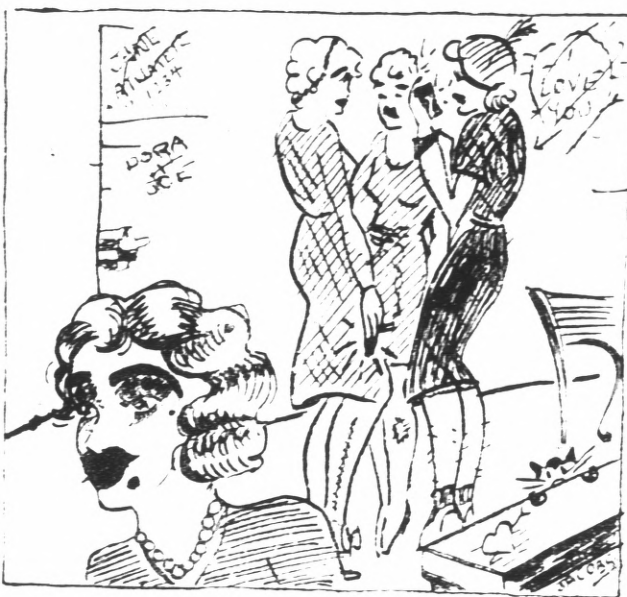

San Francisco State's newly formed chapter of the Young Democrats of America will send several delegates to the state convention of the Democratic party, was the announcement of Erwin Bischoff, chairman of the organization.

The convention is scheduled for Saturday and Sunday of this week at the Clift Hotel in this city. The delegates from this college will meet with other student committees of other colleges in a special session on Sunday morning.

Following the convention, a special meeting on Wednesday at noon will be held on the State campus, to which all students interested in party work, or in discussion and debate on New Deal policies are invited to attend. One of the first projects of the local Young Democrats, Bischoff said, will be the sponsorship of a debate on New Deal policies with Humboldt State College.

Serving on the executive committee pro-tem are: William J. J. Smith, Jr., Muriel Senk, Burton Johnson, Wallace Gallagher, and Floyd Walter.

OH . . . HOTSY TOTSY

What Price Chivalry? It's Only Make Believe

It has always been the custom of so-called American journalists to play up the ideal of the "American Girl" as the zenith of feminine pulchritude. The American Girl, Sweet Sixteen, Betty Co-Ed, and other expressions have come to indicate beauty, charm, grace.

And now we wonder if all this praise is consistently merited? Stripped of editorial chivalry, and viewed as she really is, we see today an entirely different figure. Perhaps we are passing through the Dark Ages of the American Girl, or perhaps feminine charm is subject to periods of depression and recovery like our economic system, but the Modern Girl, and particularly the modern college girl, is a perplexing enigma of mis-directed beauty.

Look about you on our campus today at our Betty Co-Eds. The majority of them are walking advertisements for cosmetic, perfume, and tobacco companies.

The "skin-you-love-to-touch" is coated with pounds of honey and almond, lemon, disappearing, vanishing, and cold creams. Huge dabs of red grease called lip-stick are smeared on the lips, and an overflow of ground into the cheeks. Eyelashes are curled, twisted, and burned. Brunette hair is stained with peroxide, and blonde hair is dyed brown.

Clothes are definitely in bad taste. Made to "appear" long, the modern co-ed nevertheless contrives to reveal enough to make 1928 look like a conservative reaction. Stockingless legs are another "trick" of the new "liberalism."

Of course she isn't complete unless a "weed" dangles from fingers that are painted a la Africa (makes you suspect she bites her nails). And the odor of tobacco on her breath has supplanted that so-called "breath of Spring."

What a honey! And the men, strangely enough, stand by and do nothing. To have one of these "creatures" dangling from one's arm is supposed to be the height of achievement. We wonder if perhaps our efforts could not be better directed by admiring the symmetry of a chair leg, or burying our thoughts in a science book.

Plan Sought For State Hears Union Demands Prep Talks

Committee members on the Student Union House group meet today at noon to work out a practical financial plan for the founding of a Student House. It is not definitely known as yet just what course this plan will take. It has been hinted by various members of the committee that some steps will probably be made toward establishing a fund either by making allowances in the budget or by tacking an increase on the present fee. The latter plan appears to have the favor of most of the committee people.

William Smith, chairman of the committee, said he believed the Student House was still strongly favored as a social idea at State and that he did not intend to let it die. Smith intimated that the plan would take a new turn in the formation of a General Student Body Union whose purpose it would be to promote and finance the House itself. The organization of such a body, it is believed, will be the solution to the problem, and will serve in an effective way to crystallize the drive

The third semi-annual all-state invitational high school forensic tournament, sponsored by San Francisco State College, will be held today and tomorrow at Frederic Burk School. There are 14 schools entered in the contest, 40 teams and 30 orators. Among those schools entered are Modesto, Santa Rosa, Polytechnic, Girls High, Lowell, Continuation, St. Ignace, Ripon Union, Marysville Union, Los Gatos, San Rafael, St. Joseph's Presentation, Clovis at Fresno, and a Berkeley school.

Jack Werchick is chairman of the occasion. Sylvia Keller and Bernice Resnic are assistant co-chairmen. Wallace Gallagher is chairman of program arrangements. Bob Van Houtte, Marion Bubb, Bill Rose, Bob Links, Carola Beetz, Mr. King, and the Senk sisters are also assisting in the arrangements.

Gater Gets Scoop As Comedians Talk

Special Reporters for Friday Issue of Golden Gater Interview Star Radio Team and Are Themselves Questioned

Tom Thorpe and Jim Martin, special reporters for the Friday Edition, today present an exclusive interview which was granted them yesterday by the popular radio team of Amos and Andy. Reproduced in these columns is the team's personal message to the school, half written by Amos and half by Andy. The interview was secured backstage in the Grand Gate Theatre, following their personal appearance.

Eleven years ago radio was taking its first steps into the field of entertainment. Amateur programs, then as now, occupied most of the broadcast time, even without a Major Bowes.

He Man Week Causes Much 'Gal' Worry

By Bud Decker

A Hard Struggle

It is a fact that the "He Man Week" is a time when the "Gal" is in a state of worry. The "He Man" is a man who is strong, brave, and handsome. He is the ideal of a man for many "Gals." But the "Gal" is also a woman who is strong, brave, and handsome. She is the ideal of a woman for many "He Men." The "He Man Week" is a time when the "Gal" is in a state of worry because she is being compared to the "He Man." She is being compared to a man who is strong, brave, and handsome. She is being compared to a man who is the ideal of a man for many "Gals." But the "Gal" is also a woman who is strong, brave, and handsome. She is the ideal of a woman for many "He Men." The "He Man Week" is a time when the "Gal" is in a state of worry because she is being compared to the "He Man." She is being compared to a man who is strong, brave, and handsome. She is being compared to a man who is the ideal of a man for many "Gals." But the "Gal" is also a woman who is strong, brave, and handsome. She is the ideal of a woman for many "He Men." The "He Man Week" is a time when the "Gal" is in a state of worry because she is being compared to the "He Man." She is being compared to a man who is strong, brave, and handsome. She is being compared to a man who is the ideal of a man for many "Gals." But the "Gal" is also a woman who is strong, brave, and handsome. She is the ideal of a woman for many "He Men." The "He Man Week" is a time when the "Gal" is in a state of worry because she is being compared to the "He Man." She is being compared to a man who is strong, brave, and handsome. She is being compared to a man who is the ideal of a man for many "Gals." But the "Gal" is also a woman who is strong, brave, and handsome. She is the ideal of a woman for many "He Men." The Inside Story

By E. W. B.

The Friday edition presents in this column the news behind the news, the editor reads between the lines of the news stories and tells you what REALLY is taking place—the "inside story" that doesn't go into the regular story.

Very Soon We'll Vote

Now that class and student body elections are almost upon us, it is interesting to note the sudden interest in politics which they were strangers two weeks ago. Prospective candidates are busy attending class meetings, and student body affairs would be greater, if only how school "patriotism" and "loyalty" can be taken on and off the coat.

You Too Can Be President

As are told that the only "real" requirements for election are (1) that you can say "hello" to enough people to walk in the halls, and (2) that you are not "going steady" with anyone. Morgan wanted to institute a system of "preferential voting" but it was too deep for the rest of the class and the matter was dropped.

And a Woman May Lead Them

Several of the co-eds became hysterical recently at the idea that no woman could be elected president of the class, and so these "reformers" have organized a series of petitions demanding "suffrage." It has been decided now that a girl CAN be elected president, providing we have one, and that there were no women at to deny them any rights.

A Political Mouse

Mr. Jerry Bale, our superintendent, must have felt very embarrassed when a tiny rodent of the species ran out on the floor of the John D. Lewis, U. S. College building, was addressing the students. He turned to the chairman of the committee and said, "I see that we have visitors."

Fire, Fire, False Alarm

According to note the "speed" of the College Hall was emptied in a matter of minutes. Most of the students wandered early to the halls, the outer "fringe" of the building, and we knew the "drill" was a "wolf" nonsense. If it really was a fire, this shakedown would have been a lot more like a real one, and many of us would have been killed.

A Local Junk Shop

College maintains its own museum in the form of a Student Co-Op. It contains ancient jewelry and antiques, and stationery are displayed there. All manner of things are for sale. The words "Teach-ers" may be obtained for 1928. It is understood that it takes an act of legislature to acquire stores, and that students are to be kept up-to-date pennants and jewelry. The old staff and melt or else scratch off the Teacher's School names.

Story Men?

Our faculty members were surprised to find on his trip that several of his students had taken advantage of his absence. It seems that they had opened a window in order to see the prof's home, and then they decided to leave the lemon and them spread all over the

Emergency Peace Volunteers Start

In an effort to organize the youth of the nation into one concerted group for the prevention of war, an association called the Emergency Peace Volunteers has sprung up on a nationwide scale.

Volunteers of this association will visit rural locations on as wide a scale as possible, and in living and working with these localized groups of people endeavor to acquaint them with existing peace moves and to leave permanent peace programs in their communities.

Volunteers Trained

Volunteers will be given one month's training, beginning in the middle of June, at institutes of International Relations held in three places: Duke University, Durham, N. C.; Grinnell College, Grinnell, Iowa; and at one of the Pacific Coast universities.

Special attention will be given to field work technique. The educational program will also include physical training, mental hygiene and exercise and recreation.

In each community the volunteers will lead discussion and forum groups, organize demonstrations, arrange exhibits, produce plays, sell literature bearing on international peace problems, contact newspapers and radio stations, and generally promote the substitution of the peaceful method rather than the war process.

Peace volunteers should be between the ages of 20 and 35 years. They are welcomed, whatever their race or creed.

Few Expenses

The expenses of each volunteer will be approximately \$60 a month, including

ing transportation to and from their homes. Half of this sum will be met by the Emergency Peace Campaign itself, the rest must be met by the volunteer himself. It is suggested that schools and churches and other patriotic organizations might assist in financing the expenses.

Harold Chance, who for the past three years has directed the New England Institute of International Relations at Wellesley College, is directing the work of the Emergency Peace Campaign Youth Section. Applicants are urged to contact him in care of the above college. Other information may be secured from the campaign headquarters at Youth Section, 20 South 12th street, Philadelphia, Pa.

Nation-wide Support

The organization plans to carry on, as part of its activities, a Universal Goodwill Month. Many prominent national and international organizations have pledged themselves to support this move. Among them are the Salvation Army, the National Council for the Prevention of War, the Institute of International Education, the Grand Lodge of the Free and Accepted Masons of the State of Wisconsin, the Peace Action Committee of Friends University, the World Alliance for International Friendship, the Church Peace Union, the Camp Fire Girls, and the Council of Women for Home Missions.

Reasons Given

The reason for this tremendous program for youth organization is that students today are playing a leading part in the movement to discard worn-out theories and conventional war methods of settling world problems.

Future War Vet Rally Planned

We want to protect our future sons from being killed, when do we get our to-be-earned bonus? This question and many others will be the major issues of the rally that Future War Veterans and members of the Home Fire Division will participate in on April 22, when a mass anti-war meeting of the students will be held on the campus.

The Home Fire Division has been renamed from the Gold Star Mothers. This group consists of future mothers of the future soldiers who might be killed in the future wars.

Still No Soap!

The male student body of the college is up in arms, with blood in their eyes and death in their hearts. Even after the appearance of that sterling article "W.H.A.T. NO SOAP?" our janitorial staff has sat back on their thrones and remained adamant in their refusal to provide both soap and towels in the men's washroom. ALSO, as retaliation, they now provide neither, except on Thursdays. But our noble men have begun a counter-attack. A fund has been started for the purpose of purchasing soap and towels for the men's washroom. Through the love in the heart of Mr. Stern, the fund has grown to the magnitude of two cents! Two more cents and we can buy a cake of soap! At last we have the answer to life's major problem: "WHAT, NO SOAP?"

Executive Board Notes

The twenty-fifth regular meeting of the Executive Board was called to order by Vice-President Virginia Conlan, due to absence of president.

Minutes of the previous meeting were approved as corrected.

Roll was called and all were now found present as president resumed his position.

COMMUNICATIONS

A communication from Miss Warden asking for \$15 to conduct the San Jose choir here at State.

A communication from Dr. Roberts concerning Golden Gater issue and its contents upon the men of the college.

A communication from Miss Ward upon approval of Cleanup Week. Felt it should be an interval occurrence.

Mr. Decker was congratulated on his fine work as chairman of Cleanup Week.

COMMITTEE REPORTS

No reports from Mr. Links or Mr. Hopkins.

Mr. Goodwin gave suggestion of "Golden Staters" as new pep name.

Mr. Morgan stated that work would begin on Robert's Field April 1 and that loan would not be necessary immediately. Suggested that projects to raise money could be undertaken.

Mr. Cochran stated that the Executive Board approves the aims and purposes of all clubs.

Mr. Atkinson stated that the Associated Men Students' dance was a social and financial success.

OLD BUSINESS

Since pins had not been purchased for debating last year Delta Sigma was to order pins with the approval of Mr. Cochran.

Mr. Links stated that Kindergarten-Primary Club had been refused date for their dance because too many dances were already scheduled. Mr. Links was asked to write a letter explaining circumstances.

NEW BUSINESS

After some discussion a motion was made and seconded that \$15 be granted Music Federation. Motion passed.

Miss Moroney stated that the Far Western Association of the Associated Women Students was planning a convention in Colorado to which we have been invited. Board felt this was a fine chance for more publicity.

Mr. Parrish stated that high seniors have no money left in their treasury. They need money for graduation expenses. Much discussion followed concerning the fact that classes were broke after dances. Mr. Goodwin suggested that tentative plans for dances be handed into Executive Board three weeks in advance for approval.

A motion was made and seconded that \$50 be granted the high senior class for expenses.

It was stated that James Chestnut, Gus Revel and Rosemarie Haas had been appointed to Board of Publications. Approved by Executive Board.

Mr. Miranda announced Block "S" night to be held April 8. Prices 25, 35, 40 cents.

Mr. Dumesnil stated that he did not approve of comments made in the paper about the men of the college.

Much discussion took place over this matter. Mr. Smith stated that ideas written in the paper would come out all right. This publicity would not hinder the college.

A motion was finally made and seconded that a committee be appointed to hear plans. Motion passed. Mr. Miranda and Mr. Morgan to hear plans.

As there was no further business the meeting was adjourned at 8:40 p. m.

Respectfully submitted, GRACE WHITBY, Secretary.

BULLDOGS IN THREAT FOR VENGEANCE

Fast Tussels Expected in Week End Encounters; State Sluggers Are Ready

George "Lefty" Powles will pit his good left arm against the best Fresno has to offer in the way of hitters when the Gaters meet the Bulldogs this afternoon in the first of two encounters. George Bogdanoff or Andy Gavron will handle the mound duties in Saturday's encounter.

In all probabilities, Ollie Sionila will do the chucking for the Raisin City in the first game, and from reports coming out of Fresno, he is hot for revenge. It is to be remembered that the Gaters took the measure of the Bulldogs in their last double-header played at Fresno by one-run margins.

Should Be Fast

The games should be fast and featured by hard hitting. Playing on a muddy field in their last encounters, the two nines dished out plenty of nip-and-tuck ball. Now with Ol' Sol beaming down and making the battle ground fast and tricky, fans can expect an extra dose in the way of hard-fought encounters.

The Gater sluggers have been sharpening up their batting eyes during the week and are set to continue their winning streak. The visitors won't like to see the name of Hal Woods in the lineup, for it was Woods who contributed plenty to the Bulldog defeats with extra-base hits and superlative defensive play.

Walter Looks Good

In addition, "Spider" Turner has been turning in some nice work with the willow, and Floyd Walter has been in the limelight both on the infield and at the plate. The pair are certain to do plenty in the week-end encounters.

However, considering the bang-up ball as played in the last two games and the speedy condition of the field, the outcome of the series is still a tossup. Fresno is certain to arrive with that hint of revenge in their eye and primed to erase the sting of the two defeats.

The probable starting lineup for State should include Joe Lee, Bob Marcus, Frank Regan and Walter in the infield; Woods, Bob Marcus and Clint Purcell in the outer gardens; Powles, Bogdanoff or Gavron, chuckers, and Bill Eich or Charles Iago, catchers.

Oscar Reveals All

(Continued from Page One)

week.

"As to the low hurdles, Southard of the Jaycee is the favorite over Darryl Hopkins of State, though both are .25 flat men and either could beat the other."

Stone Pole-Vault Ace

Winking his eye, Oscar commented, Stone, of course, is a cinch in the pole vault, with Hal Schradin of the Jaycee and Bill Harkness of State vying for second.

"A terrific clash will be that between Stone and George Dunne of the Jaycee in the broad jump. Stone has leaped 22 feet 6 inches, Dunne 22 feet 7 inches."

High Jump Close

"Another close one," Oscar further stated, "will be the high jump, where Stone has a mark of 6 feet 1 inch. Ty Barr of the Jaycee has a like record. Hopkins is a breeze for the third spot."

"The relays are a tossup and might decide the meet. State's team was clocked in 3:41 last Saturday. Coach Cox will probably use Bob Robinson, Keith Cox, Ronnie Lindlow, and Easton Willey."

Oscar Predicts

Turning to the scoresheet he had arranged, Oscar looked at your scrivener and then whispered, "My prediction is that Stone scores 23 or 24 points, not the 25 he needs to make it 150 for him this season."

"The outcome of the meet? State, under the impetus of the affair being dedicated to Stone and the 'Hate S. F. J. C.' angle, will conquer, 68 to 54."

TENNIS SEMI-FINALS

The first half of the intramural tennis tourney will end today. The semi-finalist who will hold matches at noon include Ed Thomas vs. Bill Garzoli and Gordon Bolander vs. Sing. The finals are scheduled for this afternoon.

Speedball teams are now being formed in the gym classes in preparation for the intramural tourney to start Monday.

Gaters Dump San Jose, Stage Ninth Inning Rally

State Nine Swamps Menlo J. C. in Wild Game, Score 15 to 0

With Kenney Wilkes, State's regular third baseman, on the mound, the Gaters swamped the Menlo Junior College nine 15 to 0, in the first of a two-game series with the peninsula team. Wilkes pitched in the first five innings, allowing only two hits, and George Bogdanoff, first sacker, hurled the last two innings of the seven inning game, yielding another two hits.

State started off in the initial frame by scoring one run, and then put the game on the well known ice by pushing over six more tallies in the second. Walks to Regan, Bowers, and Iago, coupled with Walter's single and doubles by Turner, Wood, and Purcell accounted for the runs.

Slaughter Continued

Not being satisfied with a mere seven run lead, State went ahead to register three more in the third, two in the fifth, one in the sixth, and finished up by adding a final two in the seventh and last frame. Hal Wood, Gater center fielder, led both teams in hitting, with three for five, including a double, triple, and homer. Walter, Iago, and Wilkes each got two bingles for three trips to the plate.

The game was such a walk away for the local squad that every player on the Gater bench got in the contest. Coach Harden using fourteen men in all.

Women Delegates Leave Tomorrow

Marguerite Winter and Blanche Tugger were victorious in the Women's Athletic Association election held last week. The pair were chosen by the members of the society to attend the national convention of college associations to be held in Minneapolis, Minnesota.

The pair will leave by automobile tomorrow morning accompanied by Miss Velda Cundiff, physical education instructor. A study of athletic activities by women in other colleges will be made, and constructive ideas will be attempted in the women's physical education department of State.

Mrs. Florence Hale Stephenson, women's physical education department head, believes the trip will directly result in more successful activities. Best wishes for a pleasant journey have been tendered by W. A. A. members and the faculty.

Football Shatters Reveries

Kuder Smart Distance Man

By JIM MARTIN

State's baseball team is in the midst of a spectacular season. Sensational play by members of the squad, and a number of surprising victories over strong opponents any kind of wild prediction look safe.

The local fans are spending idle time commenting on Olympic possibilities of Bay region athletics. Our own Runar Stone rises for due consideration.

Big league baseball swung into action this week, the beginning of a schedule comprising some 200 games. Nobody knows how it will end; everybody takes a guess.

Such a picture of the athletic situation is enough to make any dyed-in-the-wool fan commit himself to dreamy reverie.

But pleasant thoughts are doomed to be shattered by the thud of toe against the most famous part of the pig's anatomy. Yessir, spring football practice is in the offing.

The opening gun for future green-sward hostilities has already been sounded by coaches and writers. Dan Farmer is at present planning a schedule for the Gater squad. The fall sign-up is expected to contain many freshmen aspirants.

Kuder Is Smart

Fans who saw Stan Kuder, Gater veteran middle-distance runner, in action last Saturday against the best of Chico State are willing to state that he is the cageiest galloper ever to enter the portals of this institution.

Using excellent judgment of pace, Kuder held second place in both the

Pinch Hitters Turn Trick in Last Frame, Powles Hurls Gfeat Game

By BILL ROSE

Displaying a "never say die" spirit which is one of the tests of a good ball team, the State Gaters for the second time this year defeated the San Jose State Spartans, 3 to 2. Trailing by one run in the last of the ninth inning, Clint Purcell, Bob Marcus, and Frank Regan, the latter two being pinch hitters, singled successively to put over the tying and winning run. George Powles, who beat the Garden City team in the first game, was on the mound for the Purple and Gold. Although touched for nine hits, Powles pitched fine ball, only one of the San Jose runs being earned.

The visitors scored first in the fifth inning when Martinez got life on first, advanced to second on Walter's error, and came in on Les Carpenter's single. On the throw to the plate in an attempt to get Martinez, Carpenter tried to make second but was thrown out. Powles, doubled to center, so the play saved the home team a run.

Tie Score in Sixth

The Gaters tied the score in the last of the sixth when Wilkes walked, went all the way to third on Dick Main's error, and came in on Floyd Walter's timely drive to left. The game continued on an even basis until the ninth. In this inning the Spartans forged ahead by pushing over another tally. Powles got Herb Hudson, San Jose catcher, on an infield out, but Bert Watson, the opposing hurler, worked the Gater moundsman for a pass. Watson advanced to second when one of Powles pitches got by Bill Eich. Fran Pura might have been the hero of the game when he drove in what looked like the winning San Jose run, scoring Watson. Powles retired the next two batters, ending the Spartan scoring for the game.

Ninth-Inning Rally

State came to bat in the last of the ninth needing one run to tie up the ball game. Purcell came through with his only hit of the game, and Bob Marcus, pinch hitting for Pat Bowers, singled infield. Bogdanoff then layed down a perfect bunt, sacrificing the two base runners to second and third. At this point Frank Regan, injured Gater shortstop, was inserted to bat for Eich. Regan singled infield to score Purcell, and while the Spartans made a futile attempt to get Regan, Marcus crossed the plate with the winning run.

Bishop, right fielder of the visitors, led both teams in hitting, with three for four. Floyd Walter, Gater third baseman, gathered two for four to lead the San Francisco hitters.

880 and mile until the last fifty to hundred yards, then put on just enough pressure to win.

Timing one's self to conserve enough energy for the final drive is no easy matter. Kuder can do this, probably the main reason he is such a good distance man.

English the Great

Ronnie English, State's mighty mite of dynamite on the tennis courts, is creating no little furor among local circles by upholding his undefeated record in collegiate singles play.

Followers of the racquet game are prone to compare State's number one man to "Betsy" Grant, diminutive wielder who is carving a name for himself in the Davis Cup trials.

Crew a Flop?

Rumblings of dissatisfaction as to the showing of the newly organized State paddlers can be heard with little effort. Cynicals openly state that the attempt to form a crew will be a flop—that men at State can't and won't paddle their own canoe.

"Chili" Stachelokoff, hard-working student coach, will not be blamed if the plan turns out a failure. However, the results of the first race should be the making or breaking of the oarsmen.

Off the Records

J. Nabors of the Philadelphia Macks during the season of 1916 met with 19 straight losses to set a record that stands to this day. Record victories in a single season is held by Charles Radbourne, who won sixty games in 1884 in the National League.

Texas Debaters Meet Staters

The Wiley College championship debate team, on a tour of the Pacific Coast, will meet San Francisco State's varsity debate team in an inter-racial debate on the local campus on April 20 at 8 p. m.

The Wiley team, which holds a record of only one loss out of seventy-five decisions, will meet the home team on the national debate topic, concerning the Supreme Court's power. It is expected by authorities that this extraordinary team will engage in an inter-national debate with Oxford in England on the same subject.

This tour represents the second annual tour of the Pacific Coast by this team. Five thousand people have already seen them in action, and it is expected that a large crowd will witness their San Francisco appearance.

Admission to this debate is 35 cents and it will be held in the Frederic Burk auditorium. The College Club is sponsoring the event.

State Reappoints President Roberts

Dr. Alexander Roberts was one of the seven state college presidents re-appointed at the quarterly meeting of the State Board of Education held recently. Dr. Roberts first received his appointment to State in September, 1927.

The other college presidents that received their reappointment were from Chico State, Fresno State, Humboldt State, San Diego State, San Jose State, and Santa Barbara State.

The board also retired forty-seven teachers with thirty to fifty years of service, but none on the list were teaching at San Francisco State. The next meeting of the board will be held in July at San Francisco.

Scaly Scandals

By AL E. GATOR

Agnes Ross upped and surprised us all by getting permanently hitched to Mr. Robert James Simmons, an ex-State student. This big event took place last Saturday.

Gene Hook is busy playing the "in-constant" type, not entirely because of his own choosing, either.

Sixteen cylinder romance is the way we'd describe these goings-on between Alice Baldwin and Ken Johnson.

Corbett must be a gentleman. Well, anyhow, the boy does prefer blondes. Lorraine Sullivan is finding that out. Too bad, Lorraine. You might try peroxide.

Jim Barrett, who once was all burnt up over the Mrs. Larry Fanning (nee Phyllis Burnham) affair, is giving the steady stare to Florence Jean Smith, and getting nothing but a luke-warm reception.

Ed Cockrum upset Exec Board equilibrium (if any) the other night by declaring: "I've seen some CLASSY girl yell leaders." There are only two on the campus. Virginia Conlan, one of 'em, wasn't there. Morgan said she had the measles.

Why They Want Relief

Relief officers have their troubles, and not the least is trying to figure out what some of the applicants really mean when they write in to relate their troubles. An exchange states that the following is an actual list of remarks received in one office in the United States:

"I cannot get sick pay. I have six children. Can you tell me why it is?"

"Sirs: I am forwarding my marriage certificate and my two children, one of which is a mistake, you can see."

"Please find out for certain if my husband is dead. The man I am living with now won't eat anything or do anything until he knows."

"I am very much annoyed to find that you have branded my oldest boy as illiterate. This is a dirty lie, as I am married to his father."

"I have no children yet. My husband is a bus driver, and meets the night trains."

—The Carbon Chronicle.

CAMPUS NOTATIONS

This is a last minute appeal to all energetic and enthusiastic high freshmen, to show their class spirit and support their class activities you are all urgently requested to sign up for the "weenie roast" to be held at Sigmund Stern Grove, tomorrow night at 7:30 p. m. The sign-up poster is at the Co-Op, and if you want to be sure of seats at the "weenie" roast you better sign up before 5 p. m. tonight. Further details will reach you through your post box. Wake up, high frosh, and join the band to the sign-up.

This Wednesday evening will mark the opening of the Spring Music Festival, a series of programs that are being sponsored by the Music Federation to demonstrate the work of the department during the semester. The initial evening will feature the Carolers, a group of women who have been working under the direction of Mrs. Mary McCauley. Selections will include a number of songs by American composers, to be followed by several operatic favorites, among which are "Chorale" from Wagner's "Die Meistersinger" and "Every Flower" from Puccini's ever popular "Madame Butterfly."

The concert will be given in Frederic Burk auditorium and will begin promptly at 8 o'clock. Admission is free with invitations that may be secured by applying to the Music Federation office, Annex B3.

The high soph class will hold its regular Thursday meeting April 30, for the purpose of nominating officers for the coming year. At this time candidates will not only be suggested, but will be presented, so that all nominees will be known. The meeting will be held in Annex B2, at 11 o'clock.

Following elections, the class is holding an Inaugural Ball in order to start the new officers off right. It will be held at Lucca's Restaurant, 405 Francisco street, on Tuesday, May 19. The affair is semi-formal, and dinner will be \$1 per plate. All class members will find a sign-up on the bulletin board in the Co-Op.

There will be an important meeting of Alpha Gamma Chapter of Alpha Phi Gamma on Friday evening, April 17, at 8 o'clock, at the home of Gail Andrews, 540 Page street. Harold Martin, chapter president, requests that as many active alumni and associate members as possible attend. Due to the important nature of the business to be transacted, Mr. Martin expressly requests that no guests and no pledges attend.

The Associated Women Students will hold their second annual faculty-co-ed jinx on April 29. Under the chairmanship of Ruth Berg, a committee consisting of Carola Beetz, Sarah Groner, Mary Tavora, Frances Bolander, Victoria Regier, Peggy Clifford and Grace Whitby have been perfecting the arrangements for the affair. It will be held in the Co-Op at 5:15 p. m. and admission will be 35 cents. The entertainment will be supplied by the faculty, as it was the preceding spring. Due to the fact that the Co-Op can only accommodate one hundred guests, the tickets will be limited, so women are urged to purchase or make reservations early.

Newman Club's first anniversary will be celebrated with a banquet to be held at the Elizabeth Inn, 1911 Van Ness avenue. Jerry Kenney, chairman of the affair, stated that the dinner would begin promptly at 6:30. It is to be a stag party for members and pledges only, the price being 55 cents.

After-dinner speeches will be given by Father MacDonald, chaplain of the club, speaking on the history of international Newman Clubs. Dick Coughlin will speak on the spiritual activities of the organization. Other speeches will be given by Jerry Kenney, on past history of the local club; Bill Rose on club athletics; Frank Corbett, president, on the future of the group, and Hubert Reeves on social events of the past year.

The entertainment, under the direction of Dick Coughlin, will include songs, skits, instrumentalists and dances.

Scheduled on the social calendar for the remainder of class activities of this semester are events ranging from "weenie" roasts to office elections.

The high frosh class will hold a "weenie" roast on Saturday night at Sigmund Stern Grove. A meeting of the class was held Wednesday in Room 210 to discuss plans for the excursion and prepare some publicity for the event. The group will meet at the Grove at 7 o'clock and will take part in a program including a balloon dance, eating, and games.

Members of the high sophomore class held another "weenie" roast Wednesday night at Fleishhacker Beach. Approximately 75 people attended, according to Mike Driscoll, chairman of the affair.

Low juniors sponsored a doughnut sale Wednesday noon to raise funds for a picture for the Franciscan. Sixty dozen doughnuts were sold, and a free bid to the Junior Prom was offered as an incentive to buy. The bid went to the bearer of ticket number ninety-six.

The Trampodion Ball, sponsored by the high sophomore class, will be held on May 16. This will conclude the activities of the soph class, and will furnish a good reason for dating by the women-haters.

On May 23, the Senior Ball will take place, marking the end of a four-year stay for many students.

With the end of the semester nearing, the activities will be centered around campaign work and election of class officers. The high junior class will hold elections on May 5; the high freshman class on May 7, and the high sophomore class on May 16. This will close the social events for the spring semester.

All high juniors having strong feet, ambition, and a yen for a good time are reminded of the high junior hike to Muir Woods this Sunday, April 19. The group will leave the ferry at 9:45, and all are urged to be prompt. The ferry fare is 43 cents and hikers will bring their own lunches.

Return Showing Of State Film

"Campus Reels," the popular news-reel of campus events and personalities, will reappear in a return showing Monday, according to an announcement from the Golden Gater office. The repeat showing has been arranged to accommodate a large number of persons who were unable to attend the premier at the varieties show. Performances will begin at 12:20 in Room 209 and will continue as long as necessary to give all who wish to see the picture a chance to do so. An admission charge of five cents will be made to cover expenses and start a small film fund for the purchase of more film to be used in future productions.

Art Denied By Boondogglers

For so many months and months we've been anxiously (?) waiting for the murals in Anderson Hall to near completion. We're still waiting. But it seems that the master boondogglers who were doing the job got temperamental, and decided that the work already done didn't suit their artistic temperaments. . . . the thing has been erased. Oh, well, who cares, the government pays for it anyway.

But even though it isn't any more, there will live forever a monument to their genius. Some marvelous scratches and some swell scratches will decorate the Anderson foyer until some ne appropriates some more money for their removal.
